Duke Kunshan provides on-campus health and counselling services for all students. An on-campus clinic is home to medical personnel with experience providing general practice and disease prevention/health promotion programs in an international setting. Counseling and Psychological Services (CAPS) provides a wide range of services to meet the mental health and student development needs of Duke Kunshan students. CAPS provides individual counseling, group counseling, crisis interventions and emergency services, referral services, and consultation for the entire campus community. CAPS also organizes a variety of workshops and activities.

Workshops and programs are provided through health and counseling services to address:

- Mindfulness-Based Stress Reduction
- Relaxation
- Intercultural Communication
- Time Management
