We offer clubs and organizations in various categories to meet the diverse cross-cultural and academic interests of the student body. Club categories include academic and university department(s), arts and culture, community building and social, environmental, science and technology, recreation and sports, service and philanthropy, special interest, and wellness. DKU has over 35 active student clubs and organizations, and more are in the process of becoming active. Clubs and organizations are provided staff support and locker storage at the Duke Kunshan's Blue Oasis Student Center. Students can get information and visit with clubs and organizations on campus during our Clubs and Orgs Expo, which will be held on the first Friday of each semester.
